

Preliminary Leadership Speech for Workshop

Greetings participants,

As we begin this leadership workshop, I want to emphasize that leadership is a journey, not a destination. Each exercise, discussion, and activity we engage in is an opportunity to develop skills, gain insights, and enhance self-awareness.

Our goal is to understand the principles of effective leadership and apply them to real-world scenarios. Engage actively, ask questions, and share your experiences so we can learn from one another.

Together, we will grow as leaders.
