

Heartfelt lease cancellation letter due to family reasons

Subject: Lease Termination Request

Dear [Landlord's Name],

It is with some difficulty that I write to request the cancellation of my lease at [Address]. Due to urgent family matters, I must relocate closer to my loved ones, making it impossible to continue my tenancy.

I want to thank you sincerely for being such a supportive landlord. Living here has been a positive experience, and I truly appreciate your kindness and professionalism.

I will vacate the property by [Date] and ensure it is in excellent condition. Please advise on the next steps regarding the deposit and paperwork.

With gratitude,

[Your Name]
