

Termination request due to financial hardship

Subject: Request for Lease Termination Due to Financial Hardship

Dear [Landlord's Name],

I am reaching out with a heavy heart to request the early termination of my lease at [Property Address]. Due to unforeseen financial difficulties, I can no longer continue with the lease agreement beyond [specific date].

I understand the legal implications and am open to discussing possible solutions, such as covering partial costs or assisting with subletting. I hope we can come to a fair and compassionate resolution.

Thank you for your understanding during this difficult time.

Sincerely,

[Your Full Name]
