Leave request considering health aspects

Subject: Leave Request for Family Wedding - Health Considerations

Dear [HR Representative],

I am writing to request leave to attend my cousin's wedding, with some additional health considerations that may extend my absence.

The wedding is scheduled for [Date], but due to my recent [health condition/recovery], I may need extra rest days and cannot handle the usual travel stress. My doctor has advised me to take additional recovery time after any strenuous activities or long travel.

I would like to request leave from [Start Date] to [End Date], which includes:

- Travel and wedding attendance: [Number] days
- Additional recovery time as per medical advice: [Number] days

I can provide medical documentation if required. This wedding is important to me, but I also need to prioritize my health recovery as recommended by my healthcare provider.

I have arranged for my responsibilities to be covered and will ensure all urgent matters are resolved before my departure.

Please let me know if you need any additional documentation or if we need to discuss this request further.

Thank you for your understanding regarding my health situation.

Best regards,

[Your Name]

[Medical documentation attached if applicable]
