Dear [Recipient's Name],

I am writing to inform you that I am currently unwell and require some time to recover. Due to this unforeseen illness, I am unable to attend work as scheduled. I am writing to request a medical leave of absence starting from [start date] and lasting until [end date] or until my health significantly improves.

My doctor has diagnosed me with [mention the illness or condition] and has advised me to take this time off to rest and undergo the necessary medical treatment. I assure you that I will keep you updated about my progress and provide any required medical certificates or documentation upon my return.

During my absence, I understand the importance of my responsibilities and am committed to ensuring a smooth transition of my tasks. I have already informed [colleague's name] about my current projects and ongoing tasks. I am confident that with their support, the team will be able to manage my workload effectively in my absence.

I apologize for any inconvenience my leave may cause and appreciate your understanding in this

matter. I will make every effort to minimize any disruption to the team and ensure that my work responsibilities are covered during my absence.

Please let me know if there are any specific procedures or forms that I need to complete for requesting and documenting my medical leave. I will be sure to follow all the necessary protocols.

Thank you for your understanding and support during this time. I look forward to returning to work as soon as I am fully recovered.

Sincerely,
