

Leave Letter For Marriage

Subject: Leave Application for Marriage

Dear [Recipient's Name],

I hope this letter finds you in good health and high spirits. I am writing to formally request a leave of absence from [start date] to [end date] to attend my wedding ceremony and make necessary preparations. I am excited to share this joyous occasion with my family and loved ones, and it requires my presence and active involvement.

I understand the importance of my responsibilities and duties towards my role at [Organization Name]. I assure you that I will complete all pending assignments and delegate tasks to my colleagues to ensure a smooth workflow during my absence. I will make myself available for any urgent matters that may require my attention during this period.

I kindly request your support and approval for this leave application. I am willing to adjust my schedule or work extra hours before and after the leave period to minimize any inconvenience caused to the organization. I have also discussed this matter with my immediate supervisor, who has given me their approval to proceed with this request.

I will be readily available via email or phone during my leave, in case of any unforeseen circumstances or if my assistance is required for urgent matters. I have also provided the contact details of a colleague who can act as a point of contact in my absence.

I understand that the company's leave policy allows for personal leave, and I have attached the necessary documents, such as the wedding invitation, as proof of my upcoming nuptials. I would be grateful if you could process this request and inform me of its approval at your earliest convenience.

I sincerely appreciate your understanding and support in granting me this leave to celebrate this significant milestone in my life. I am confident that my dedication and commitment to my work will remain unwavering upon my return. I am grateful for the opportunities provided by [Organization Name] and look forward to resuming my duties promptly after the leave period.

Thank you for your attention to this matter.

Yours sincerely,
