

Casual compliance advice

Subject: Quick Advice on Regulatory Compliance

Hi [Client Name],

Following your recent questions regarding compliance with [specific regulation], here's a summary of my advice:

- Ensure your business filings are current.
- Review internal policies to align with legal standards.
- Maintain accurate documentation for inspections or audits.

Let me know if you'd like a full written opinion or just a quick follow-up session.

Cheers,

[Your Name]

[Law Firm Name]
