

Complaint Email About Unsafe Working Conditions

Subject: Urgent Concern " Unsafe Working Conditions

Dear [Safety Officer/HR Manager],

I am writing to express concern about the current safety conditions in our workplace at [location or department]. Several safety protocols appear to be neglected, including [list unsafe conditions such as faulty equipment, lack of safety gear, poor ventilation].

These conditions pose serious health and safety risks to staff and could lead to workplace accidents. I believe it is vital that immediate measures are taken to ensure compliance with safety standards and protect employees.

Please let me know when the safety review will be conducted and what actions will follow. I'm available to provide further details if needed.

Thank you,
