Subject: Count Me In! - Your Collaboration Idea

Hi [Name],

Your email about collaborating on [project/opportunity] caught my attention immediately! I love the concept and would absolutely be interested in moving forward with this.

The timeline you mentioned works great for me, and honestly, I think we'd make a fantastic team on this. I've been looking for exactly this kind of opportunity to [specific benefit/goal].

I'm totally on board with the basic framework you outlined. Should we set up a call this week to hash out the details? I'm free [days/times] if that works for you.

Thanks for thinking of me for this - I have a really good feeling about where this could go!

Talk soon,

[Your Name]
