

Creative Industry Internship Letter

Subject: Let's Create Something Amazing Together - Internship Interest

Hey [First Name],

I hope this email finds you in the middle of something creative and inspiring! I'm reaching out because I'm genuinely excited about the possibility of interning with [Company Name], and I wanted to share why I think we'd be a great fit.

I've been following your work for a while now, and honestly, I'm a huge fan. [Specific project or campaign] completely blew me away – the way you [specific creative element] was exactly the kind of bold, innovative thinking I want to be part of. As someone who's passionate about [creative field], I'm constantly looking for opportunities to learn from the best, and your team is definitely at the top of that list.

Right now, I'm a [year] at [University] studying [major], but let's be real – some of my best learning has happened outside the classroom. I've been [freelancing/working on personal projects/building my portfolio] in [specific area], and I've picked up skills in [relevant tools and techniques]. I'm not claiming to know everything (who does?), but I'm scrappy, I learn fast, and I'm not afraid to try unconventional approaches.

What excites me most about this internship is [specific aspect]. I'd love to contribute to [specific type of projects] and soak up knowledge from your team. I'm especially interested in [specific area or technique], and I think my background in [relevant experience] could bring a fresh perspective to your projects.

I've attached my portfolio and resume so you can check out some of my work. Fair warning: I'm still growing as a creative professional, but I think my projects show my potential and my willingness to push boundaries.

Would you be open to chatting sometime? I'd love to hear more about what you're working on and explore how I might fit into the picture. I'm flexible, eager, and ready to jump in whenever works for your team.

Thanks for taking the time to read this. Looking forward to hopefully creating something awesome together!

Cheers,

[Your Name]
