

Polite objection to rent increase

Subject: Concern Regarding Proposed Rent Increase

Hello [Landlord's Name],

I received your notice about the upcoming rent increase. While I appreciate your efforts in maintaining the property, I would like to request reconsideration of the amount, as it presents a significant financial strain.

I have been a responsible tenant, paying rent on time and taking good care of the property. I hope we can discuss an arrangement that works for both of us.

Kind regards,

[Your Name]
