

Casual Community Event Permission Request

Subject: Permission Request for Neighborhood Block Party

Hi [Property Manager],

Hope you're doing well! I'm reaching out about organizing a small community block party and would love to get your permission to use the community center space.

Here's what we're planning:

- A fun neighborhood get-together on [Date]
- About [number] families expected
- Potluck-style food sharing
- Games for kids and adults
- Clean-up crew already organized

We're super committed to keeping everything tidy and respectful. The community really needs this kind of positive gathering, especially after everything we've all been through lately.

Would you be open to chatting about this? I'm happy to work around any guidelines or restrictions you might have.

Thanks so much for considering this!

Best,
