

Unit-wide sympathy message

Dear Soldiers and Families of [Unit Name],

Subject: Standing Together in Difficult Times

It is with heavy hearts that we address the recent tragic events that have affected our unit family. The loss of our fellow soldiers has left us all grieving and searching for ways to support each other through this incredibly difficult time.

Our unit has always prided itself on being more than just soldiers serving together – we are a family. In times like these, that bond becomes even more important. We must lean on each other, support our fallen comrades' families, and honor their memory through our continued service and dedication.

Grief counseling services are available through the Chaplain's office and Mental Health Services. Please don't hesitate to reach out if you or your family members need support. Sometimes the strongest thing we can do is ask for help.

We will be holding a memorial service on [date] at [time] in [location]. This will be an opportunity for our unit family to come together, share memories, and support each other. Details regarding the service and family support will be provided separately.

Remember that it's okay to not be okay right now. Take care of yourselves and each other. Our fallen brothers and sisters would want us to continue the mission while supporting those they left behind.

We are Army strong, and together we will get through this.

[Your Name]

[Command Position]

[Unit]
