

Parent disagreement with school decision

Subject: Concern Regarding Recent School Decision

Dear [Principal's Name],

I am writing as a parent of [child's name] to formally express my disagreement with the recent decision made regarding [specific decision, e.g., "placement in a class," "suspension," or "extracurricular activity eligibility"]. I believe this decision is not in the best interest of my child's academic or personal development.

My child has demonstrated [describe positive qualities, academic performance, or relevant circumstances] which I feel were not adequately considered. Additionally, the decision appears inconsistent with the school's stated policies and past practices in similar cases.

I kindly request a review of this decision and a meeting to discuss possible alternatives that would better serve my child's educational needs. I appreciate your attention to this matter and look forward to working toward a fair resolution.

Sincerely,

[Your Name]
