

Heartfelt lost luggage compensation

Subject: Claim for Compensation " Lost Luggage

Dear [Airline's Customer Service],

I am writing with great concern regarding my lost luggage from flight [Flight Number] on [Date].

Despite my repeated follow-ups at the airport, my baggage has not been located to this day. The suitcase contained valuable personal belongings and essential items for my trip.

I kindly request immediate compensation for the loss, along with reimbursement for necessary purchases I had to make due to the missing luggage. Receipts of those purchases are attached.

I hope this matter will be resolved quickly and fairly.

Sincerely,

[Your Name]
