

Draft or preliminary letter for planning

Dear [Recipient Name],

As we prepare for the upcoming Little League season, we are drafting sponsorship letters to invite local businesses and community members to support our teams. This preliminary version outlines how we will present the opportunity.

Sponsorship will include recognition on team jerseys, banners, and promotional materials. We are excited to partner with our community to give young athletes a memorable and enriching experience.

We welcome your feedback or early interest in supporting [League Name]. Please contact [contact info] for more information.

Sincerely,

[Your Name]
