

Letter targeting local small businesses

Dear [Business Owner],

[Team/League Name] is seeking local business sponsors for our Little League season. Your support will help provide uniforms, equipment, and safe playing conditions for children in our community.

In return, we offer visibility at games and events, including banner placement and public acknowledgment of your generosity. Sponsoring a local team is a great way to connect with families while supporting youth development.

We hope you will join us in building a positive experience for these young athletes. Please contact [contact info] to learn more about sponsorship levels and benefits.

Warm regards,

[Your Name]
