

## Casual tone email for magazine internship

Subject: Internship Application

Hi [Editor's Name],

I hope this message finds you well. I came across your magazine's internship posting and felt it would be a great fit for my interests. I'm passionate about writing, editing, and learning how a magazine works from the inside, and I'd be thrilled to join your team.

I've done some writing for my college newsletter and love working on creative projects. I'm eager to learn the ropes in a professional environment and contribute in any way I can.

Looking forward to hearing from you!

Best regards,

[Your Name]
