

Funny Maid of Honor Speech

Hi everyone,

I promise to keep this short because we all know the bride looks better than I do. [Bride's Name] has always been the kind of friend who can make me laugh until my stomach hurts, and today, I get to laugh with her as she embarks on this next adventure.

[Groom's Name], welcome to the familyâ€”and good luck. Youâ€™re officially part of this wild ride called friendship. May your love be as enduring as [Bride's Name]'s obsession with coffee and as sweet as her famous chocolate cake.
