

Maintenance Application Letter for School or Educational Institution

Subject: Application for School Maintenance Position

Dear Principal [Name],

I am writing to apply for the position of Maintenance Worker at your school. I have several years of experience maintaining educational facilities, ensuring safe classrooms, clean corridors, and well-functioning equipment. I understand the importance of maintaining a pleasant environment for students and staff.

At my previous job in [School Name], I was responsible for regular inspections, carpentry repairs, and electrical maintenance. My ability to work independently while prioritizing safety aligns with the standards of your institution.

Thank you for your time and consideration. I hope to contribute to your school community soon.

Respectfully,

[Your Name]
