

Hotel Maintenance Application Letter

Subject: Application for Hotel Maintenance Technician Position

Dear [Hotel Manager's Name],

I am excited to apply for the Maintenance Technician role at your hotel. With over four years of experience in hospitality maintenance, I am confident in my ability to maintain guest satisfaction through prompt, quality repairs and preventive measures.

At [Previous Hotel], I repaired HVAC systems, performed routine electrical checks, and collaborated with housekeeping to resolve issues quickly. I understand that in hospitality, maintenance work directly affects guest experience, and I take that responsibility seriously.

I would appreciate the opportunity to join your team and help maintain your high standards of service and comfort.

Sincerely,

[Your Name]
