

Informal Email for Networking in Manufacturing Roles

Subject: Exploring Manufacturing Job Opportunities

Hi [Contact Name],

I hope you are doing well. I wanted to reach out to see if you know of any openings in manufacturing or factory operations. I have experience in assembly line work, quality control, and basic machinery handling.

If you could connect me with anyone hiring or share opportunities, I would greatly appreciate it. I can send my resume at your convenience.

Thanks,

[Your Name]
