Entry-Level Marine Engineer Cover Letter

Subject: Application for Entry-Level Marine Engineer Position

Dear Hiring Manager,

I am excited to apply for the Entry-Level Marine Engineer position at your company. As a recent graduate in Marine Engineering from [University Name], I have gained practical knowledge through internships at [Company Name], where I worked alongside senior engineers on vessel inspections and system overhauls.

I am particularly interested in your companyâ€™s focus on sustainable maritime technologies. My final-year project on optimizing energy efficiency in ship engines reflects my enthusiasm for eco-friendly innovations in marine engineering. I am eager to apply my theoretical knowledge and passion for the sea in a professional environment.

Thank you for your time and consideration. I look forward to contributing to your engineering team and learning from your seasoned professionals.

Best regards,

[Your Name]
