

Marine Engineer Internship Application Letter

Subject: Application for Marine Engineering Internship

Dear [Hiring Manager's Name],

I am a third-year Marine Engineering student at [University Name] seeking an internship with your company to gain hands-on experience in vessel maintenance and propulsion systems. My coursework has provided me with a solid foundation in thermodynamics, fluid mechanics, and marine propulsion principles.

I am particularly drawn to your company's commitment to innovation and sustainability in marine operations. I am eager to learn from your experienced engineers and contribute to ongoing projects as a motivated and dependable intern.

Thank you for considering my application. I look forward to your response and the opportunity to contribute to your team.

Sincerely,

[Your Name]
