Dear [Manager's Name],

I am writing to formally express my interest in being considered for promotion to the position of Senior Marine Engineer. Over the past five years with [Company Name], I have consistently demonstrated technical expertise, leadership, and dedication to the efficiency and safety of our vessels.

I have successfully led multiple refit projects, improved maintenance protocols, and mentored junior engineers. I believe my track record and commitment to operational excellence align perfectly with the responsibilities of a senior role.

I would appreciate the opportunity to discuss how my experience and contributions can continue to benefit our team in this new capacity.

Respectfully,
