

Marine Engineer Resignation Letter

Subject: Resignation from Marine Engineer Position

Dear [Supervisor's Name],

Please accept this letter as my formal resignation from my position as Marine Engineer at [Company Name], effective [date]. This decision was not easy, as I have thoroughly enjoyed my time working with an exceptional team and contributing to the reliable operation of our fleet.

I am grateful for the support and opportunities provided during my tenure. I will ensure a smooth transition by completing all pending tasks and assisting in the handover process.

Thank you once again for the valuable experiences and professional growth. I wish the company continued success in all future endeavors.

Sincerely,

[Your Name]
