# Heartfelt MBA Acceptance with Scholarship Template

Subject: Grateful Acceptance of MBA Admission and Merit Scholarship

Dear [Scholarship Committee/Admissions Team],

Words cannot adequately express my gratitude for being accepted into the MBA program at [University Name] and being awarded the [Scholarship Name] merit scholarship. This opportunity represents not only a dream come true but also a significant investment in my future that I do not take lightly.

The financial support provided through this scholarship will enable me to focus entirely on my studies without the burden of excessive debt. I am deeply committed to maintaining the academic excellence that earned me this recognition and to actively contributing to the university community through leadership and service.

I have already begun preparing for the program by reading recommended texts and connecting with current students. I am particularly excited about the [specific program feature] and how it aligns with my career aspirations in [industry/field].

Please consider this my formal acceptance of both the admission offer and the scholarship award. I have submitted all required documentation and eagerly await the start of classes.

With sincere appreciation and excitement,
