

# Career Transition MBA Acceptance Template

Subject: MBA Acceptance - Career Transition Commitment

Dear [University Name] MBA Admissions,

I am excited to accept my admission to the MBA program, as this represents a pivotal step in my planned career transition from [current field] to [target industry]. Your program's reputation for successful career changers was a primary factor in my application decision.

I am committed to maximizing every resource available, including career services, alumni networking, and industry-specific coursework. I have already begun informational interviews with alumni working in [target field] and plan to participate actively in relevant student organizations.

The comprehensive curriculum and strong recruiting relationships with [specific companies/industries] make this program ideal for achieving my professional goals. I am prepared for the challenges ahead and ready to leverage my [current background] experience in new ways.

I have enclosed my commitment deposit and completed enrollment materials. Please provide information about early access to career services and any recommended preparation for career changers.

With determination and gratitude,
