

Permission for a project conducted in collaboration with a company

Dear [Professor/Department Head],

I seek your permission to conduct my MBA project in collaboration with [Company Name]. The project will focus on " [Project Topic]" and aims to provide practical insights while adhering to academic standards.

All research materials, data confidentiality agreements, and ethical approvals will be maintained. I request your approval to proceed with this industry-based project.

Sincerely,

[Your Name]

[MBA Program, University Name]
