

Creative Industry Internship Application

Subject: Internship Application - [Creative Position Title]

Dear [Hiring Manager's Name],

I'm reaching out about the [Internship Position] at [Company Name], and I'm genuinely excited about the possibility of joining your creative team. As someone who lives and breathes [design/content creation/marketing/etc.], I've been following your work for [timeframe], and your approach to [specific creative aspect] really resonates with how I think about creativity.

My creative journey started with [origin story], and since then, I've been building my skills through [education/self-learning/projects]. I recently [specific creative project], which involved [creative process and outcome]. The project was [shared/published/exhibited] on [platform], where it [reception or impact]. I work primarily with [tools/software/mediums], but I'm always exploring new ways to bring ideas to life.

What draws me to [Company Name] is your distinctive voice in [industry]. Your campaign for [specific campaign or project] was brilliant – the way you [specific creative element] showed a deep understanding of [audience/medium/message]. I especially appreciated [specific detail]. That's exactly the kind of thoughtful, bold work I want to be part of creating.

I believe my creative perspective would complement your team well. My style tends toward [describe aesthetic or approach], but I'm adaptable and love collaborating to push concepts further. I've attached my portfolio, which showcases [types of work], including [highlight specific pieces]. I'm particularly proud of [specific work] because [reason].

I'd love to chat about how I could contribute to your upcoming projects. I'm available starting [date] and ready to dive in wherever you need support – whether that's [potential responsibility 1], [potential responsibility 2], or something completely different.

Thanks for taking the time to review my application. Looking forward to hearing from you!

Best,

[Your Name]
