

# Financial Need Scholarship Email

Dear Scholarship Committee,

I hope this message finds you well. I am writing to apply for the Financial Need Scholarship offered by [Organization/University Name]. Due to my current financial situation, funding my studies has been challenging, and this scholarship would significantly help me pursue my academic goals.

I have always been dedicated to my studies, maintaining a strong academic record while balancing part-time work to support myself. Receiving this scholarship will allow me to focus more on my education and fully engage in the university's programs and initiatives.

Thank you very much for considering my application. I would be grateful for any support provided.

Warm regards,

[Your Name]
