

Polite, empathetic approach to noise complaint

Subject: Concern Regarding Ongoing Noise

Dear [Neighbor Name],

I hope you are doing well. I am writing with concern as the noise from your home has been affecting my family's rest and peace, particularly during the night.

I would greatly appreciate it if you could be more mindful of the noise. Your cooperation would mean a lot to us and help foster harmony in our community.

Thank you for understanding,

[Your Name]
