

Noise Complaint Letter for Construction/Renovation Work

Subject: Concern Regarding Construction Noise

Dear [Neighbor's Name],

I hope your renovation project is progressing well. I'm writing to discuss the impact of the construction work being conducted at your property.

I understand that home improvements are sometimes necessary and that construction noise is unavoidable. However, the work has been occurring [describe schedule: starting very early, extending late into evening, on weekends, etc.], which exceeds the permitted construction hours in our area of [permitted hours].

The noise levels from [hammering, drilling, heavy machinery, etc.] have been substantial and have affected my ability to [work from home, care for young children/elderly family members, maintain reasonable peace in my home].

I would appreciate if you could:

- Ensure work is conducted only during permitted hours: [specify local regulations]
- Provide advance notice of particularly noisy work days
- Communicate an estimated completion timeline

I recognize that renovations are temporary, and I'm willing to be accommodating if I'm kept informed of the schedule and duration.

Thank you for your understanding and cooperation.

Best regards,

[Your Name]
