

Informal Financial Discussion Clarification

Subject: Follow-up on Our Financial Discussion

Hi [Friend's Name],

I wanted to follow up on our conversation yesterday about investment options. I enjoyed our discussion, but I need to clarify something important.

The ideas we talked about were just friendly conversation and personal opinions - definitely not professional financial advice! I'm not a licensed financial advisor, and I can't be responsible for any decisions you make based on our chat.

If you're seriously considering any investments, please consult with a qualified financial professional who can properly assess your situation.

Thanks for understanding, and let's definitely continue our friendship without the weight of financial responsibility!

Best,

[Your Name]
