

Casual Noise Complaint Email to Neighbor

Subject: Quick Note About the Noise

Hi [Neighbor's First Name],

I just wanted to drop you a quick note to let you know that the music from your place has been pretty loud late at night recently. I totally understand wanting to relax and have fun, but it's been hard for me and my family to get proper sleep.

If you could lower the volume a bit during the late hours, I'd really appreciate it. I'm sure we can work this out without any problems.

Thanks a lot for your understanding!

Best,

[Your Name]
