

General Optometry Referral Letter

Dear Dr. [Ophthalmologist/Specialist Name],

I am writing to refer my patient, [Patient Name], DOB: [Date of Birth], for further evaluation and management of [specific condition/concern].

During a comprehensive eye examination on [Date], I observed [detailed findings]. The patient's visual acuity was [measurements], and [additional test results]. Based on these findings, I believe [Patient Name] would benefit from your specialized assessment for [specific reason].

The patient's relevant medical history includes [conditions, medications, allergies]. Current ocular medications include [list medications if applicable].

I would greatly appreciate your expert opinion regarding [specific questions or concerns]. Please feel free to contact me at [phone/email] if you require any additional information.

Thank you for your attention to this matter.

Sincerely,

[Your Name], OD

[Practice Name]
