

Lighthearted request to a familiar vendor

Subject: Pizza Order – Fuel for Productivity

Hi Pizza Heroes,

It's been a long week, and our team's brains are fried. To recharge, we'd like to order:

- 3 extra-large pepperoni pizzas
- 2 veggie delights
- 1 supreme with extra cheese (because cheese solves everything)

Please deliver before our next brainstorming session, or we might start using sticky notes as snacks.

Stay awesome,
