

Conditional acceptance requiring revisions

Subject: Conditional Acceptance - Revisions Required for [Paper Title]

Dear [Author Name],

Thank you for submitting your manuscript "[Paper Title]" to [Journal Name]. After thorough peer review, we are pleased to offer conditional acceptance pending minor revisions.

The reviewers found your research valuable and methodologically sound. However, they have identified several areas requiring attention before final acceptance:

- Clarification of methodology in Section 3.2
- Addition of statistical significance tests for Table 2 results
- Expansion of the discussion regarding limitations
- Minor grammatical corrections throughout

Please address these concerns and resubmit within 30 days. Detailed reviewer comments are attached.

We anticipate final acceptance upon satisfactory completion of these revisions.

Kind regards,

[Associate Editor Name]
