

Funny Parking Fine Appeal Email

Hello [Authority Name],

I received a parking fine (Ref: [Reference Number]) and I have to say, I think my car deserves an award for creativity rather than a fine.

On [Date], I parked at [Location] and [reason why it should be waived, e.g., "the meter was broken and it rained coins"]. I promise it won't happen again and hope you can find it in your heart to cancel the fine.

Thanks a lot,

[Your Name]
