

Formal Dispute Resolution Request

Subject: Request for Partnership Dispute Resolution

Dear [Partner Name],

I am writing to address a serious concern regarding our partnership that requires immediate attention and resolution. Despite our previous discussions, the issue of [specific dispute] remains unresolved and is affecting our business relationship.

The specific problems we need to address include:

- [Problem 1 with details]
- [Problem 2 with details]
- [Problem 3 with details]

We have attempted to resolve these matters through informal discussions, but unfortunately, we have not reached a satisfactory solution. As outlined in our partnership agreement, I am formally requesting that we initiate the dispute resolution process as specified in Section [X].

I believe that with good faith effort from both parties, we can find a mutually acceptable resolution that preserves our business relationship while addressing these legitimate concerns. I propose that we engage a neutral mediator to facilitate discussions and help us reach an agreement.

Time is of the essence in resolving this matter, as continued delays may further impact our business operations and client relationships. Please confirm your willingness to participate in the formal dispute resolution process within [timeframe].

I remain optimistic that we can work through these challenges and continue our partnership on stronger terms.

Sincerely,

[Your Name]
