Dear [Partner's Name],

I am writing to formally notify you of my decision to cancel our partnership effective immediately.

This decision was not an easy one, but after careful consideration, I have concluded that it is in the best interest of both of us to dissolve the partnership.

Over the past few months, I have observed that our goals and objectives no longer align and we have been struggling to make progress towards our common objectives. Therefore, I believe that it would be best for both of us to dissolve the partnership to enable us to pursue our individual objectives effectively.

I would like to express my appreciation for the time and effort you have invested in the partnership, and I wish you all the best in your future endeavors. I will make sure that all obligations and commitments we have made together will be properly handled and settled in the coming weeks.

Please let me know if there are any further steps that need to be taken in this process, or if you have any concerns or questions about this decision.

Sincerely,

[Your Name]
