

Heartfelt, Emotional Letter

Subject: Ending Our Partnership

Dear [Partner's Name],

It is with a heavy heart that I write to inform you that we will be ending our partnership as of [termination date]. This decision has been difficult given the journey we have shared and the accomplishments we have achieved together.

I want to express my gratitude for your dedication and support. I hope that even as our paths diverge, the respect and friendship we have built will continue.

Warm regards,

[Your Name]
