Formal Referral to Specialist

Subject: Referral for Specialist Consultation

Dear Dr. [Specialist Name],

I am referring my patient, [Patient Name], aged [Age], for a specialist consultation regarding [Medical Condition]. The patient has been under my care since [Date] and has not responded adequately to initial treatments.

Enclosed are the patient's medical history, lab reports, and imaging results. Your expertise in [Specialty] is requested to provide further evaluation and management.

Please let me know your assessment and recommended treatment plan.

Sincerely,

[Referring Physician Name]

[Clinic/Hospital Name]
