

Funny Persuasive Letter to Santa

Subject: Let's Talk About My Nice List Status!

Hey Santa,

I know you're super busy this time of year, but I just wanted to clear something up – I've been *mostly* good this year. Sure, I may have eaten the last cookie (okay, maybe the last three), but I also walked the dog every day and helped Mom with groceries! That counts for something, right?

I'd really love a new gaming console for Christmas. I promise it'll help me learn patience, teamwork, and problem-solving (and not just make me stay up too late).

If you can make it happen, I'll leave out double the cookies and the biggest glass of milk you've ever seen!

Your biggest fan,

[Your Name]
