

Persuasive Letter to Santa from a Teen

Subject: Why I Deserve a Special Gift This Year

Dear Santa,

Even though I'm older now, I still believe in the magic of Christmas and everything you represent – kindness, generosity, and hope. This year, I've worked hard in school, supported my friends through tough times, and volunteered at the local shelter.

What I'd love most this year is a camera. Photography helps me express myself and capture memories that mean a lot to me. I promise I'll use it to create beautiful things and maybe even inspire others.

Thank you for continuing to bring joy to so many, including those of us who never stop believing.

Warm wishes,

[Your Name]
