

Informal Email for Networking in Biotechnology

Subject: Connecting with a Fellow Biotechnology Professional

Hi [Recipient Name],

I hope you're doing well. I recently came across your work in [specific field, e.g., enzyme engineering] and wanted to reach out. I'm exploring opportunities in biotechnology and would love to learn from your experience.

Would you be open to a short chat over coffee or a video call? I'd really appreciate any advice or insights you could share.

Thanks so much for your time!

Best,

[Your Name]
