Dear [person or organization name],

My name is John Smith and I am sending you this letter on behalf of [organization name].

Your organization has done so much work to help children with diabetes cope with their illness.

In recognition of this noble cause and the fantastic work you are doing, please accept from us a symbolic donation of \$100,000 to support your activities and help them expand.

Please continue making the children happy and never stop. We wish you the best of luck.

Sincerely,
