

Casual Preschool Teacher Introduction Email

Subject: Excited to Meet You and Your Little Ones!

Hello Families,

I'm [Name], and I'll be your child's preschool teacher this year! I can't wait to meet everyone and start building a fun, happy classroom together. Preschool is such a special time in your child's life, and my goal is to make it a place where they feel curious, safe, and excited to come every day.

You'll hear from me often through emails, messages, or notes about classroom activities, reminders, and fun updates. I also encourage you to reach out whenever you need—I want us to work as a team.

I'm looking forward to a year filled with laughter, learning, and lots of creativity!

See you soon,

[Name]
