

Wedding Cancellation Letter

Subject: Wedding Cancellation Notification

Dear [Guest Name/Family and Friends],

We regret to inform you that we have made the difficult decision to cancel our wedding ceremony and reception scheduled for [Date] at [Venue].

This decision comes after much consideration and is based on personal circumstances that have led us to conclude that postponing our celebration indefinitely is the most appropriate course of action at this time.

We understand that many of you have made travel arrangements, purchased gifts, and cleared your schedules to be with us on what was to be our special day. We are deeply sorry for any inconvenience and expense this cancellation may cause.

Wedding gifts that have already been received will be returned to senders within the next two weeks. For those who have made travel bookings, we encourage you to contact your providers regarding cancellation policies.

We are grateful for your love, support, and understanding during this difficult time. Your friendship means the world to us, and we hope you will continue to be part of our lives as we navigate this challenging period.

We will be taking some time to focus on personal matters and ask for your patience and privacy as we work through this transition.

With sincere apologies and gratitude,

[Names of Couple]
