

Appreciation email to colleagues after promotion

Subject: Excited About the New Role!

Dear Team,

I'm thrilled to share that I've been promoted to [New Position Title], and I couldn't have reached this milestone without your constant teamwork and support. This achievement feels more like our success than mine alone.

I look forward to collaborating with you in this new role and continuing the great work we've always done together. Let's keep pushing forward as a strong team.

Thank you all!
